DETAILED ACTION

Response to Amendment

1. -Applicant's response to the last Office Action, filed 08/30/2007, has been entered and made of

record.

2. Applicant has amended claim 7-10. Claim 6 has been canceled. Claims 1-5 and 7-10 are

currently pending.

Allowable Subject Matter

3. The following is an examiner's statement of reasons for allowance: The Applicant amended

objected claim 7 to include all elements of the rejected claim 6 upon which it was dependent as per the

Examiner's suggestion thus placing it in condition for allowance. Additionally the Applicant has amended

claims 8-10 to depend on the now allowable claim 7 thus placing them in condition for allowance. An

updated search has not found any other viable pieces of prior art and therefore finds the Application in

condition for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment

of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such

submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
